A: Related Month

B: Cumulated amount from the beginning of the year

According to the "Regulation Amending the Regulation on the Manufacturing, Modification, and Assembly of Vehicles," published in the Official Gazette numbered 32414 dated December 29, 2023, the small series production permit process carried out by the Ministry of Industry and Technology of the Republic of Turkey has been completed on February 7. The impact of this situation on domestic sales of domestically produced tractors in January will be compensated from February onwards following the issuance of permits.
